Good Morning Richard...

It's come to my attention that the Westchester Business Improvement Association is shown as "suspended" on the Secretary of State website with some indication that this is "FTB" related. I have verified that the reason is NOT an errant Statement of Information. Can you have someone from your office track this down for us so that we can clear up the record? I believe that we have signed all of the needed "power of attorney" forms.

Let me know how I can help.

Thank you.
